The YSM Chronicle

May - August, 2025

An initiative of the Internal Quality Assurance Cell (IQAC)

Vice-Chairman's Message

Jai Guru!

It gives me immense pleasure to share my thoughts on the occasion of releasing the second issue of The YSM Chronicle. This newsletter, an initiative of the Internal Quality Assurance Cell (IQAC), serves as a mirror to the vibrant academic and cocurricular life of our Mahavidyalaya, capturing the collective spirit and achievements of our YSM Parivar.

Having served in the Indian Army, I have always believed that discipline, commitment and teamwork form the foundation of excellence. I am delighted to see these same values reflected in the activities and initiatives undertaken by our students, faculty and staff over the past few months. The variety of programs highlighted in this issue, including academic pursuits, research engagements, cultural activities, extension initiatives and value-based practices, demonstrates how YSM is steadily moving towards holistic education in alignment with the vision of our Gurudeva, Sri Sri Paramahansa Yoganandaji.

The National Education Policy (NEP) 2020 has emphasized balanced growth of intellect, skills, and character. It is heartening to see our Mahavidyalaya aligning with these priorities, not only through curriculum and pedagogy but also through community engagement, environmental responsibility and character-building endeavors. Each activity presented here is a step towards shaping responsible citizens and future leaders who will serve society with competence and compassion.

I congratulate the editorial team of The YSM Chronicle for their effort in documenting this journey with dedication and precision. Let us all continue to move forward with unity of purpose, striving for “more and better,” and ensuring that Yogoda Satsanga Mahavidyalaya remains a centre of academic distinction and value-based education.

With Regards and Best wishes,
Lt. General (Retd.) Gyan Bhushan
Vice-Chairman, Governing Body

About YSM

Yogoda Satsanga Mahavidyalaya (YSM), recognized under Sections 2(f) and 12(B) of the UGC Act, is a minority institution located in the capital city of Ranchi, Jharkhand. Established in 1967 under the aegis of the Yogoda Satsanga Society of India (YSS)—a globally renowned spiritual and charitable organization founded by Sri Sri Paramahansa Yogananda, author of *Autobiography of a Yogi*—the college draws inspiration from his educational ideals that emphasize balanced development of body, mind, and soul.

True to its mission of “Reaching the Unreached,” the college has been dedicated to providing inclusive higher education, especially to underprivileged and tribal communities. The aim is to shape young learners into invaluable national assets who will contribute positively to society, while nurturing spiritual growth and ethical values.

The 11-acre campus—with nearly 42% green cover—offers a serene environment for academic and personal development. YSM provides undergraduate programs in Arts, Science, and Commerce; vocational courses like BBA, BCA, and B.Sc. (IT); and postgraduate programs in Commerce. Skill-based and employability-enhancing courses such as Office Operation Executive, Communicative English, Cyber Security, and Cloud Computing are also offered.

Holistic student development is supported through excellent infrastructure, a well-equipped gymnasium, yoga and meditation center, sports facilities, a digital knowledge center, healthcare unit, and mentoring system. Students are also sensitized to social responsibilities through NSS and NCC activities.

The college actively promotes ICT-enabled learning through Wi-Fi connectivity, smart classrooms, modern labs, and a partially automated library offering access to e-journals and e-books through UGC-INFLIBNET’s N-LIST program.

At YSM, education is seen as a sacred responsibility to empower students to make a meaningful difference in society—academically, ethically, and spiritually.

Message from the Editor

It gives me great pleasure to present **Volume 1, Issue 2 (May–August 2025) of The YSM Chronicle, an initiative of the Internal Quality Assurance Cell (IQAC)**. Encouraged by the positive response to our inaugural issue, we continue our effort to document, celebrate, and share the academic, cultural, and co-curricular milestones of our institution.

This Chronicle reflects the collective energy and enthusiasm of our faculty, staff, and students, while also reaffirming our shared commitment to transparency, collaboration, and continuous improvement.

In this edition, we bring glimpses of the diverse activities and achievements of various departments and committees during May–August 2025, based on the inputs received. If, by chance, any event has been missed, we warmly invite you to share the details with us so that they can be included in the next edition.

With this second issue, we hope to further strengthen **The YSM Chronicle** as a platform of inspiration and pride for the entire YSM community.

Central Library Introduces Book Review Portal

On May 2, 2025, the **Central Library Book Review Portal** — a digital platform conceptualized and developed by Librarian Sri Sourav Nag — was inaugurated at the Mahavidyalaya.

The portal is designed as an interactive space where students and faculty can post reviews, reflections, and recommendations on books they have read. The initiative seeks to foster a culture of reading, critical analysis, and peer-to-peer knowledge sharing.

By encouraging users to articulate their thoughts and perspectives on books, the portal not only enhances literary engagement but also cultivates writing, communication and analytical skills among students.

NSS Unit I Organizes 7-Day Special Camp

‘अभ्युदय – एक साझा प्रयास’

The seven-day special camp themed “अभ्युदय – एक साझा प्रयास”, organized by **NSS Unit I** was held at the adopted village Saparom from April 28 to May 5, 2025. The camp was inaugurated with the lighting of the ceremonial lamp by Panchayat member Ajit Tigga, NSS Unit I, Programme Officer, Dr. Mallika Kumari, faculty members, and student volunteers.

Following this, baseline surveys were conducted to understand the village’s demographics, health, education, and employment status, which laid the groundwork for week-long awareness programmes. Throughout the camp, student volunteers engaged the villagers in diverse initiatives, ranging from cleanliness drives, yoga sessions and organic farming awareness to creative activities like Best out of Waste, sports events for children, nutritional guidance, and campaigns on water conservation and anti-drug awareness.

The valedictory ceremony was graced by Colonel Himanshu Shekhar (Director, Quality Vertical), Dr. Ravindra Kumar, Dr. Mallika Kumari, Dr. Mrityunjay Kumar, and the IQAC Coordinator, Mrs. Simran Kaur. Volunteers reflected on their enriching experiences, and NSS Volunteer Abhishek Ghosh presented a detailed report of the camp’s key outcomes. Certificates were awarded to all 30 volunteers in recognition of their dedicated efforts.

On the occasion, Colonel Himanshu Shekhar offered valuable suggestions for sustainable development, while Dr. Ravindra Kumar assured continued support for the village children.

On May 10, 2025, the **Department of Economics, in collaboration with the Internal Quality Assurance Cell (IQAC)**, hosted a **debate on “Trade War: Tariffs – More Harmful or Helpful in Today's Economy.”** Ten students from various semesters participated, with five speaking in favor and five against. Their arguments were well-researched, supported by global examples and economic frameworks.

Dr. Neha Kumari Murai (Department of Political Science) judged the event, offering fair evaluation and insightful commentary that enriched the learning experience for all. The top performers were awarded Pratiyogita Darpan – Economics Edition 2025 and YOJANA – May 2025 Edition.

Learning Beyond Classrooms: Students Gain Industry-Ready Skills in Pre-Placement Workshop

The **Centre for Vocational Studies(CVS) Placement Committee**, under the leadership of Mr. Awesh Rawani, organized a **workshop on “Pre-Placement Activities: Get Campus-Ready for Future Opportunities”** on May 10, 2025. The event drew enthusiastic participation from students across various departments.

The session began with a welcome address by Ms. Shambhavi, who introduced the keynote speaker, Ms. Reeta Sarangi, HR Manager at Samadhan. Ms. Sarangi shared valuable insights on creating impactful CVs, self-introduction techniques, presentation skills, and interview etiquette.

Interactive games and activities added energy to the session, enhancing communication skills and building confidence. She guided students on Group Discussions (GDs) covering evaluation parameters, strategies, and common mistakes. She also discussed interview preparation tips, introduced the concept of Enterprise Resource Planning (ERP), and shared details about the upcoming placement drive at Samadhan. Students appreciated the workshop as a valuable step towards building confidence and preparing for campus placements.

Strengthening Research Capacity through FDP on Data Analysis Using SPSS

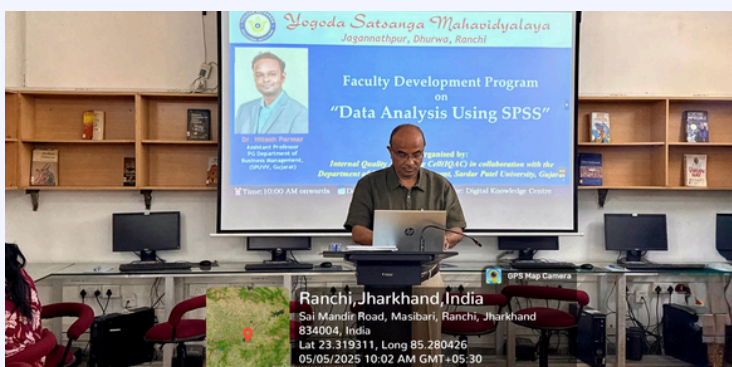

The Internal Quality Assurance Cell (IQAC) of Yogoda Satsanga Mahavidyalaya, in collaboration with the Department of Business Management, Sardar Patel University, Vallabh Vidyanagar, Gujarat, organised a Five-Day Faculty Development Programme (FDP) on “Data Analysis Using SPSS” from May 5 to May 10, 2025.

A total of 30 faculty members from the Mahavidyalaya completed the programme. The FDP was designed to enhance the research competence of faculty by equipping them with statistical tools and practical skills in data handling, hypothesis testing, and regression analysis through SPSS software.

The sessions were conducted by **Dr. Hitesh Parmar, Assistant Professor, Department of Business Management (MBA), Sardar Patel University, Gujarat**. Dr. Parmar has over 15 years of academic and research experience, having conducted more than 200 training programmes and trained over 10,000 participants in data analysis using tools such as SPSS, Excel, R, and Smart PLS.

The five-day FDP provided participants with hands-on training in SPSS covering data entry, data management, hypothesis testing, t-tests, ANOVA, Chi-Square, non-parametric tests, and regression analysis. Faculty members strengthened their ability to handle datasets, apply statistical tools in academic research, and interpret analytical outputs effectively.

The FDP marked a significant step in capacity building and fostering a research-oriented academic environment at YSM, aligning with the Mahavidyalaya's commitment to continuous quality improvement and the NEP 2020 vision of research and innovation.

Nourish Nature Now: Small Acts, Big Impact

On May 14, 2025, **Team Pehchan**, a student-driven body of YSM, organised the event **#Nourish_Nature_Now**, blending awareness sessions, motivational talks, and symbolic initiatives to promote sustainability and compassion towards all living beings.

The programme began with the screening of a powerful documentary on Peepal Farm, Himachal Pradesh, which highlighted the inspiring journey of Mr. Robin Singh in creating an eco-conscious lifestyle and fostering kindness towards animals and the environment. This was followed by the lighting of the ceremonial lamp, marking the formal inauguration of the event.

The sessions featured guest speakers who inspired the audience with their unique perspectives:

- **Mr. Shiv Shankar (The Banjara Boy)** shared his experiences of sustainable travel and living close to nature.
- **Mr. Devanand Sinha** reflected on the urgent need to align everyday choices with ecological balance.
- **Mrs. Madhu Sinha** spoke about community-driven efforts for environmental stewardship.

Adding an institutional perspective, Mr. Ashwani Saxena (Secretary, Governing Body), Mrs. Pragati Bakshi (Professor-in-Charge), and Colonel Himanshu Shekhar (Director, CVS & Quality Vertical) reaffirmed the Mahavidyalaya's commitment to sustainability as an integral part of its mission.

The event concluded with two symbolic yet impactful initiatives: the **inauguration of a Bird Feeder in the reading arena and the launch of a Dog Feeder outside the campus**. These gestures emphasized compassion for all beings and reinforced the message that caring for nature begins with small, consistent actions.

A heartfelt vote of thanks acknowledged the contributions of the guests, speakers, participants, and volunteers, who together made **#Nourish_Nature_Now** a memorable and meaningful initiative. The event not only created awareness but also inspired the YSM community to adopt sustainable practices in daily life.

Expert Talk on Quality Assurance and Best Practices through IQAC

The **Internal Quality Assurance Cell (IQAC)** organized an expert talk on “**Quality Assurance Mechanism and Best Practices through IQAC**” on May 15, 2025.

The resource person was **Prof. (Dr.) Jayendra Kumar, Principal, SRM Modinagar College of Pharmacy (SRM Institute of Science & Technology, NAAC A++)**. With over 18 years of academic and research experience, Dr. Kumar has authored 24+ papers, holds several patents, and is widely recognized for his contributions to quality enhancement in higher education.

In his address, Dr. Kumar highlighted the role of IQAC as a change agent and stressed the qualities required in its members, which include innovation, adaptability, and resilience. He emphasized best practices such as promoting a research culture, framing institution-specific policies, and benchmarking academic as well as non-academic activities.

Key takeaways included the importance of SWOT and Gap Analysis, the 5 S's Framework (Self, Students, Stakeholders, System, Skills), and the adoption of Outcome-Based Education (OBE) to meet 21st-century needs. He further urged institutions to align with NEP 2020 and develop Standard Operating Procedures (SOPs) for streamlined quality processes.

The event began with a traditional lamp-lighting ceremony and was attended by Col. Himanshu Shekhar (Director, Quality Vertical) and all IQAC members. Proceedings were conducted by Dr. Mrityunjay Kumar, and the session concluded with a vote of thanks by Dr. Mallika Kumari.

The expert talk on “**Quality Assurance Mechanism and Best Practices through IQAC**” (May 15, 2025) began with a lamp-lighting ceremony and featured an insightful session by Prof. (Dr.) Jayendra Kumar, Principal, SRM Modinagar College of Pharmacy.

Commerce Department Hosts Session on Financial Literacy and Careers

On May 16, 2025, the **Department of Commerce**, in collaboration with the **Career Counseling Cell** and **IQAC**, organized a session on “**Unlocking Career Opportunities through Financial Literacy and Market Awareness.**”

Led by SEBI-certified trainer Prof. (Dr.) Raman Ballabh, the session emphasized financial planning, NISM certifications, and emerging careers in commerce such as FinTech and investment advisory.

Dr. Ballabh also introduced the SARTHI App for market awareness and career insights. Dr. Ravindra Kumar highlighted plans for future collaborations with NISM. The session was attended by 66 students, promoting skill-based learning aligned with NEP 2020.

Economics Department Holds Parent-Teacher Meeting

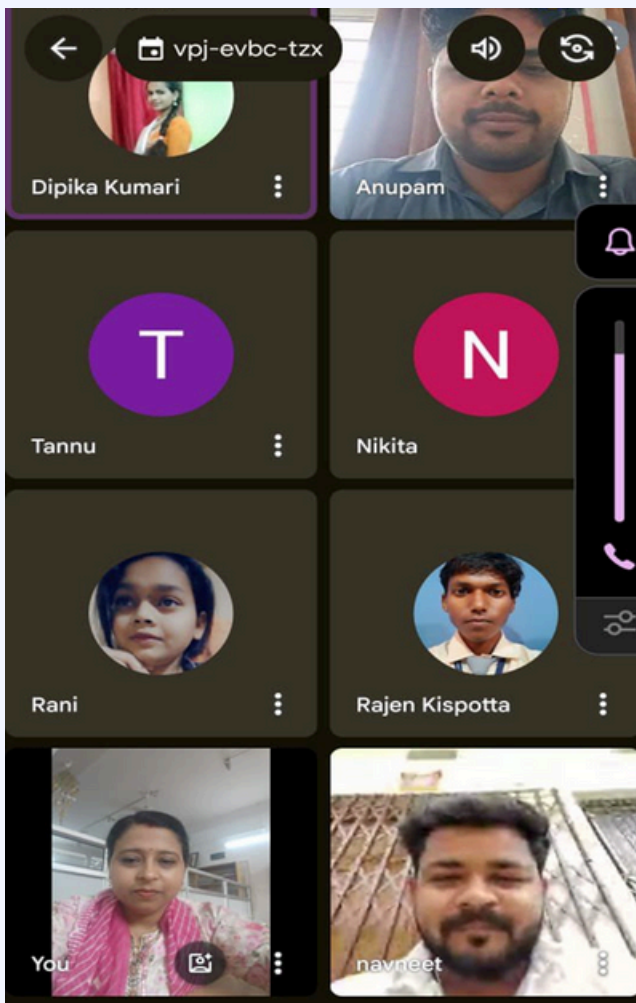

On May 21, 2025, the **Department of Economics** conducted a Parent-Teacher Meeting for students of Semester V (2022–26) and Semester I (2024–28), with 25 guardians in attendance.

Led by Mrs. Aparna Pandey and Mr. Anupam Mishra under the guidance of Mrs. Pragati Bakshi, the session focused on academic performance, attendance, and student challenges like placements and transport. Individual discussions allowed for meaningful feedback and strengthened collaboration between parents and the department.

Parents and teachers come together to support student growth and development.

Economics Alumni Meet 2025: Reconnecting Bonds

Virtual reunion with cherished alumni – strengthening lifelong bonds with the Department of Economics

The **Department of Economics** successfully organized an **online Alumni Meet** (Batch 2021–2024) on 22nd May 2025 via Zoom, under the guidance of the Head of Department, Mrs. Pragati Bakshi. The session saw enthusiastic participation from 25 alumni.

Faculty members Ms. Aparna Pandey and Mr. Anupam Mishra led the interaction, engaging with alumni to learn about their academic and professional progress. Alumni fondly recalled their time at the Mahavidyalaya, highlighting the institution's supportive environment and dedicated faculty. Several participants expressed interest in pursuing an M.A. in Economics from the college.

The faculty encouraged continued engagement and assured support in academic and career pursuits. The event concluded on a warm and constructive note, strengthening the enduring bond between the alumni and the department.

Empowering Faculty through Innovation

On May 23, 2025, the **Research, Innovation and Entrepreneurship Promotion Cell (RIEPC)**, in collaboration with the **Internal Quality Assurance Cell (IQAC)**, hosted an expert talk for faculty members on **“Research and Innovation in Education.”**

The keynote address was delivered by **Prof. Dr. Suchitangshu Chatterjee, Hon'ble Vice-Chancellor of RKDF University and former General Manager at MECON**. Drawing upon his remarkable 43-year career in Research and Development, Dr. Chatterjee shared invaluable insights into the concepts of research and innovation, clarifying the common misconception that the two are the same, while highlighting their distinct yet interlinked roles in driving academic and societal advancement.

A notable highlight of the session was Dr. Chatterjee's reflection on his involvement in a prestigious national-level project under the guidance of former President of India, Dr. A.P.J. Abdul Kalam. He emphasized the significance of aligning research with national priorities and public welfare, recounting his experiences with government organizations, including the Defence Research and Development Organisation (DRDO). Through these anecdotes, he underscored the transformative potential of innovation-led research in the academic community.

The talk served as a source of inspiration, motivating faculty members to pursue meaningful, high-impact research with renewed vigor.

Prof. Dr. Suchitangshu Chatterjee was warmly felicitated before delivering his keynote address on 'Research and Innovation in Education.' The session also featured reflections by Mrs. Pragati Bakshi and Mr. Saxena, making the event insightful and inspiring for all faculty members

Bridging Knowledge and Practice: Seminar on Real-World IT Applications

On May 26, 2025 the **Department of Computer Applications and Information Technology (CA & IT)** successfully organized a seminar titled **“Bridging the Gap: Integrating Knowledge into Real-World Projects”**, designed to enrich students with practical insights into applying academic learning in the professional sphere.

The keynote address was delivered by **Mr. Vaibhav Jain, Head of IT at Sunwin Techno Solution Pvt. Ltd.**, who drew upon his vast industry experience to highlight the challenges and opportunities of transforming classroom concepts into impactful real-world solutions. Mr. Jain underscored the significance of project-based learning, adaptability to emerging technologies, and the development of industry-ready skills. Through case studies and real-time project experiences, he illustrated how theoretical knowledge translates into corporate practice.

The seminar witnessed active participation from 49 students and faculty members who engaged enthusiastically during the interactive Q&A session. It proved to be an enriching platform for clarifying industry expectations and guiding students toward becoming future-ready professionals.

With Guruji's blessings, the Department of CA & IT hosted a seminar on bridging academics with real-world projects, featuring keynote speaker Mr. Vaibhav Jain and enthusiastic participation from students and faculty.

Commerce Students Gain Industry Exposure through Textile Unit Visit

The **Department of Commerce** organized an **industrial visit** for B.Com Semester I students (Batch 2024–2028) to Styluxe Apparels Pvt. Ltd., Ormanjhi, on May 29, 2025. A total of 44 students participated in this experiential learning activity designed to bridge the gap between theory and practice.

The visit offered students real-time exposure to various departments, including production, human resources, quality control, and logistics. They observed processes such as raw material procurement, textile processing, garment stitching, and packaging, while also gaining insights into quality control systems, labor management, and workplace safety protocols.

Through interactive discussions with supervisors and technical staff, students explored the practical application of classroom concepts like production management, cost control, supply chain management, and HR practices.

The visit proved to be a highly enriching experience, enhancing students' understanding of industrial operations and equipping them with practical insights into the textile sector.

B.Com Semester I students (Batch 2024–28) of the Department of Commerce during their industrial visit to Styluxe Apparels Pvt. Ltd., Ormanjhi, on May 29, 2025. Poster Making Competition on Sustainable Development Goals (SDGs)

The Department of Economics organized a **Poster Making Competition on the theme Sustainable Development Goals (SDGs)** on May 30, 2025.

The event began with the aim of spreading awareness about the SDGs and encouraging students to showcase their understanding through creative expressions.

A total of 19 students from various semesters participated, preparing posters with drawings and text highlighting goals such as **Climate Action, Quality Education, Gender Equality, and Responsible Consumption.**

The competition provided a vibrant platform for students to blend academic knowledge with artistic expression. Each poster reflected a unique perspective on how individuals and communities can contribute toward achieving the global goals. The creativity of the participants not only made the event visually engaging but also sparked meaningful conversations among peers and faculty about real-life applications of the SDGs.

The entries were evaluated on the basis of creativity, clarity of message, and relevance to the theme. After careful assessment by the faculty members, the winners were declared as:

First Position: Simran
(Student ID – BA2024ECO027)

Second Position: Manisha Bara
(Student ID – BA2022ECO063)

The winners were appreciated for their efforts, and all participants were commended for their innovative presentations. The event highlighted the importance of student-led initiatives in promoting social awareness.

Students showcased their creativity on Sustainable Development Goals, while faculty encouraged and appreciated their innovative ideas.

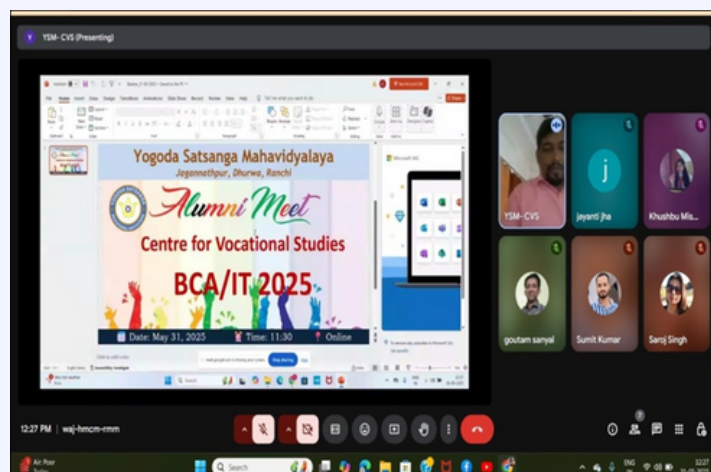

The competition not only deepened students' understanding of sustainable development but also inspired them to communicate ideas through art and creativity. It served as a reminder that youth can play a transformative role in driving sustainability by combining knowledge, innovation, and social responsibility.

From Campus to Corporate: Alumni Share Success Stories

The **Department of Computer Applications & Information Technology** organized a **Hybrid Alumni Interaction** on May 31, 2025 with participation from Semester I and V students.

Alumni working in leading firms like Cognizant and Accenture shared their career journeys, insights on industry trends, and practical guidance. Key discussions focused on essential programming skills, certifications, interview preparation, workplace etiquette, and the importance of academic project work in building careers.

An engaging Q&A session allowed students to interact directly with alumni and clarify their doubts.

Hybrid Alumni Interaction organized by the Department of CA & IT where alumni from leading firms like Cognizant and Accenture shared career insights, industry trends, and guidance with students through engaging discussions and Q&A.

Towards Sustainable Farming: BGA Biofertilizer Demonstration at YSM

The **Research Innovation and Entrepreneurship Promotion Cell (RIEPC)** and **Green Society** organized a live **demonstration of the Blue-Green Algae (BGA) Biofertilizer Unit**, under the **supervision of Dr. Sumit Kumar Pathak**. This eco-initiative introduced students and farmers to an affordable, eco-friendly method of nitrogen fixation for paddy cultivation, promoting sustainable agriculture.

The event was graced by distinguished guests, including Dr. Anjani Kumar Srivastava (Former VC, BBMKU), Lt. Gen. Gyan Bhushan (Vice Chairman), Mr. A.K. Saxena (Secretary), Col. Himanshu Shekhar, and Mrs. Pragati Bakshi (Prof. In-Charge), who shared valuable insights on soil health, farmer outreach, and integrating sustainable practices in education.

Key Highlights:

- Hands-on training in BGA culture and application
- Expert discussions on eco-friendly farming practices
- Guidance on research, outreach, and scaling-up BGA usage
- Active participation of students and farmers

The initiative marks a step forward in green innovation at YSM, aligning with the mission of promoting sustainable development through education, research, and community engagement.

World Environment Day 2025: Zoology Department Leads Awareness Drive on Plastic Pollution

Under the aegis of IQAC, **the Department of Zoology** celebrated World Environment Day on June 5, 2025 in hybrid mode, focusing on this year's theme, **“Put an End to Plastic Pollution.”** The celebration aimed at raising awareness about the harmful impacts of plastic on ecosystems and promoting sustainable practices. The event began with an online inaugural session led by Dr. Anjana Verma, Head of the Department of Zoology, attended by faculty and students from all three semesters. A range of **student-led eco-activities** followed:

- **Speech Presentations:** Aditya and Komal (Semester I) highlighted pressing issues of plastic pollution and individual-level solutions.
- **Poster Making & Slogan Writing:** Students showcased creative expressions against plastic use through impactful visuals and slogans.
- **Campus Cleanliness Drive:** Faculty, staff, and students jointly carried out a cleanliness campaign, reinforcing the message of a plastic-free campus.

The hybrid format ensured broader participation, making the initiative inclusive and effective. The event was smoothly coordinated by Dr. Kumari Pragati Nanda and Mr. Ravi Rahul Singh. The celebration not only spread awareness but also inspired students to embrace sustainable, eco-friendly practices in their daily lives.

Physics Students Innovate Solar Thermal to Electrical Energy Conversion Model

The Department of Physics has successfully developed a model to convert solar thermal energy into electrical energy under the guidance of Dr. Santosh Kumar Singh and Dr. Ratnesh Pathak, with constant encouragement and mentorship from Mr. A.K. Saxena, Secretary, Governing Body.

Designed with a vision of sustainability and social utility, the project demonstrates how renewable energy can be harnessed efficiently and cost-effectively, especially for rural applications. The model integrates portable solar thermal panels, thermoelectric converters, rectifiers, boosters, and a DC motor with a fan display, producing an output of 18V DC with a current of 2–3 amperes, sufficient to operate small appliances such as motors and fans.

Key Features of the Model:

- Converts solar thermal energy into usable electrical energy
- Cost-effective, eco-friendly, and portable design
- Supports day-to-day applications in rural areas

Future Applications:

With further testing and fabrication, the model will be deployed in adopted villages through NSS Unit powering appliances such as DC fans, motors, and pesticide sprayers, thereby supporting rural livelihoods and promoting green energy.

This initiative reflects a pioneering step by YSM Physics students toward sustainable energy innovation, aligning education with real-world impact and community service.

Gyanodaya Lecture Series: Expert Talk on NEP 2020 and the Indian Knowledge System

On May 29, 2025, the **Internal Quality Assurance Cell** organized an expert talk under the Gyanodaya Lecture Series on the theme “**NEP and Its Role in Preserving the Indian Knowledge System**”, delivered by **Prof. (Dr.) Anjani Kumar Srivastava**, eminent academician and former Vice Chancellor, **BBMKU, Dhanbad**.

Prof. Srivastava critically reviewed earlier education policies, distinguishing between growth and development, and emphasized the three pillars of NEP 2020, viz., Excellence, Expansion, and Equity.

He highlighted the need to integrate the Indian Knowledge System into modern curricula, drawing examples from ancient sanitation practices, ecological wisdom, and the five koshas of Indian philosophy, to promote holistic development.

Encouraging faculty members to adopt innovative pedagogies and contribute to initiatives like PARAKH, he concluded with insights from his book, *Alternate Politics*.

Parents–Teachers’ Interaction Fostering Academic Collaboration and Commitment

Dr. Shweta Singh, Assistant Professor, Department of English, interacting with parents during the Parents–Teachers' meet.

The **Department of English** organized a Parents–Teachers' Interaction on July 9, 2025 which witnessed active participation from parents and guardians of 46 students across three semesters. The interaction provided a platform for meaningful dialogue between faculty and parents, focusing on students' academic progress and areas for improvement. A shared consensus emerged on the importance of regular classroom attendance as a key factor in academic success. The session concluded on a positive note, with mutual commitment to improved attendance and better performance in the forthcoming university examinations.

Exploring the Future of Language: Expert Talk on AI and Linguistics

The **Department of English** organized an expert talk on **Artificial Intelligence and Linguistics** on June 28, 2025, highlighting the growing intersection between technology and language studies. The session was conducted by **Dr. Ratnesh Pathak, Assistant Professor, Department of Physics**, and was attended by 22 students and faculty members.

Dr. Pathak's engaging presentation shed light on how AI is reshaping the landscape of linguistics, particularly in the fields of language learning, translation, and communication. His insights sparked a lively discussion on the evolving role of AI in education.

Key Discussion Highlights:

- Integration of AI in language learning and teaching practices
- Effectiveness of AI-based learning platforms
- AI-driven translation tools and their impact on global communication
- Challenges of linguistic diversity and cultural sensitivity

Takeaways:

The session underscored AI's potential to personalize learning experiences and expand multilingual accessibility, while also stressing the importance of ethical and cultural awareness in adopting AI tools.

Future Outlook:

This event marked a meaningful step towards interdisciplinary engagement, opening new avenues for academic exploration at the intersection of technology and the humanities.

National Statistics Day 2025 Celebrations: Honoring 75 Years of National Sample Survey

The **Departments of Economics and Mathematics** jointly celebrated **National Statistics Day, 2025**, in honor of the **eminent statistician Prof. P. C. Mahalanobis**, whose birth anniversary is observed nationwide. This year's theme, **"75 Years of National Sample Survey,"** was marked through a series of academic and creative events.

Essay Writing & Poster Making Competitions (July 5, 2025)

As part of the extended celebrations, an Essay Writing Competition and a Poster Making Competition were organized on July 5, 2025. The essay competition invited thought-provoking submissions on **"The Life of P. C. Mahalanobis and His Contributions to ISI," "The Role of Data Science in the 21st Century," and "Recent Advances in Statistics."** The poster competition encouraged students to creatively present ideas on **"The Evolution of Data Science in the Modern Era," "Applications of Statistics in Other Sciences," and "Statistics as the Foundation of Analysis and Regression."**

Winners of the Essay Writing Competition

- 1st Prize – Koushal Kumar (Economics) & Asha Priya (Mathematics)
- 2nd Prize – Nilesh Tirkey (Mathematics)
- 3rd Prize – Riya Raj (Economics)

Winners of the Poster Making competition

- 1st Prize – Anushree (Mathematics)
- 2nd Prize – Priyanka Kumari (Mathematics)

Expert Lecture (July 8, 2025)

The highlight of the celebrations was an Expert Lecture delivered on July 8, 2025, by Dr. Vanshi Dhar, Senior Scientist, Birsa Agricultural University, and a noted statistician.

Dr. Dhar began his address by reflecting on the visionary role of Prof. P. C. Mahalanobis in establishing India's statistical framework and its impact on economic planning in post-independence India. Through his engaging style, he explained the importance of descriptive statistics, clarified distinctions between relative and absolute measures of dispersion, and introduced concepts of correlation and regression in econometrics. His interactive approach created a lively academic atmosphere, benefiting both students and teachers alike. During the session, Dr. Dhar felicitated the winners of the essay and poster competitions, appreciating their analytical and creative contributions.

The celebrations of National Statistics Day 2025 not only paid tribute to statistical excellence but also promoted inter-departmental collaboration. By combining academic discourse with creative student engagement, the events echoed the spirit of the National Education Policy (NEP) in fostering a holistic and synergistic learning environment.

The program concluded with a vote of thanks by Mr. Shekhar Suman (HoD, Mathematics), marking the end of an enriching academic celebration.

Quizobyte 2025: Battle of the Brains Showcases Tech Talent

The **Department of Computer Applications & Information Technology** successfully organized **Quizobyte 2025, an inter-semester quiz competition** designed to test the academic excellence and subject knowledge of BCA and IT students.

The competition began with the Elimination Round on July 9, 2025, conducted in online mode. Students from all three semesters participated actively, and 13 students qualified for the final stage—5 from Semester 1, 5 from Semester 3, and 3 from Semester 5.

The much-awaited Final Round – Battle of the Brains was held on July 10, 2025. The event commenced with a welcome address by Mr. Abhishek Vishwakarma, Quiz Coordinator, and witnessed an engaging contest among the finalists. Participants were tested through multiple rounds covering core computer science concepts, current technology trends, and general awareness.

Winners of Quizobyte 2025

- 1st Prize: Fahim Ansari – Semester I (Session 2024–2027)
- 2nd Prize: Nikhil Nayak – Semester III (Session 2023–2026)
- 3rd Prize: Akash Kumar – Semester III (Session 2023–2026)

The winners were felicitated by the Professor in Charge, who praised the students for their academic brilliance and quick thinking. The event concluded on a celebratory note, with appreciation for the participants' enthusiasm and the organizers' efforts in making Quizobyte 2025 a resounding success.

Team Pehchan's Compassionate Visit to Viskasan Adarsh Home Spreads Joy and Solidarity

On July 15, 2025, **Team Pehchan** undertook a heartfelt community outreach initiative by **visiting Viskasan Adarsh Home, an old age home in Ranchi**. The visit was aimed at sharing love, care, and support with the elderly residents, reflecting the team's commitment to social responsibility and human connection.

The day was filled with meaningful conversations, shared stories, and genuine smiles as team members spent time with the residents, listening to their life experiences and offering companionship. As a token of care, essential supplies and groceries were donated to support their daily needs. The warmth and gratitude expressed by the elderly made the visit truly memorable.

This experience served as a powerful reminder of the joy and fulfillment that come from acts of kindness. While the team set out to bring happiness, they returned enriched with blessings, wisdom, and unforgettable memories. The visit strengthened their resolve to continue contributing to society through such compassionate initiatives.

The visit to Viskasan Adarsh Home was more than just an event; it was a soulful and transformative experience that highlighted the immense joy of giving and the importance of human connection.

Honouring Sahitya Akademi Award-Winning Poet at YSM

The **Departments of Hindi and English** jointly organised a **Felicitation Ceremony in honour of Dr. Parwati Tirkey, recipient of the prestigious Sahitya Akademi Yuva Puraskar 2025**. Dr. Tirkey, Assistant Professor of Hindi at RLSY College, Ranchi University, graced the occasion as the Chief Guest, while Dr. Vishnu Charan Mahato, Principal of RLSY College, joined as the Guest of Honour.

Speaking on the occasion, Dr. Mahato expressed pride in Dr. Tirkey's achievement, remarking that her poetry reflects the depth and beauty of tribal life and philosophy, making her a true pride of Jharkhand. Dr. Tirkey shared glimpses of her literary journey and recited select poems from her award-winning anthology *Phir Ugna*, leaving the audience deeply inspired.

Economics Students Excel at NSO's Anvesha 2.0 Quiz

Two bright minds from the **Department of Economics**, **Shakti Prakash and Dinesh Seth** (Semester V, Session 2022–26), brought laurels to our Mahavidyalaya by successfully representing the college at the **“Anvesha 2.0” Quiz Competition, organised by the National Statistics Office (NSO), Ministry of Statistics and Programme Implementation**, on July 18, 2025 at the CCL Convention Centre, Ranchi.

The competition was a part of the nationwide celebrations of the 75th Anniversary of the National Sample Survey (NSS), an occasion of great academic and historical significance. The event saw enthusiastic participation from over 40 colleges and universities, making the contest highly competitive and intellectually stimulating.

Our team displayed commendable knowledge and confidence throughout the various stages of the quiz. After clearing the preliminary round, they successfully made it to the final round of 10 teams, a remarkable achievement considering the tough competition. In the finals, they put up a strong performance and **secured an overall 6th position**, earning recognition and applause from the organizers and participants alike.

Adding to the pride, both students were awarded Certificates of Appreciation for their outstanding participation. In a special moment, Shakti Prakash received a prize (a diary) for correctly answering an open audience question, reflecting his quick thinking and depth of knowledge.

YSM Signs MoU with Aptus Software Labs to Drive Digital Transformation

On July 19, 2025, Yogoda Satsanga Mahavidyalaya entered into a strategic **Memorandum of Understanding (MoU) with Aptus Software Labs, Bengaluru**, to foster collaboration in Information Technology, emerging technologies, and digital transformation initiatives. The partnership is designed to enhance the Mahavidyalaya's technical edge through targeted training programmes, capacity-building workshops, and innovative projects in line with current industry standards.

The MoU marks a deepening of ties with **Sri Ramakrishna Prasad, CEO of Aptus Software Labs**, who has been actively associated with the Mahavidyalaya as an industry representative and valued member of the Internal Quality Assurance Cell (IQAC). Over the past year, his contributions have strengthened quality assurance initiatives at the institution, and his continued involvement will now further accelerate the integration of industry best practices into academic and administrative processes.

The signing ceremony was honoured by the presence of Lt. Gen. Gyan Bhushan (Vice-Chairman, Governing Body), Sri A.K. Saxena (Secretary, Governing Body), Col. Himanshu Shekhar (Director – Quality Vertical), Dr. Ved Pareek (Coordinator–YSEI), and Mrs. Pragati Bakshi (Professor-in-Charge).

Regular Security Drills Reinforce YSM's Safety Standards

The Mahavidyalaya organized its **monthly security training sessions** on June 1, 2025 and July 7, 2025 at the Campus. Each session was attended by the Security Supervisor, 19 Guards, field officers from the Security Agency, and the Senior Manager.

The training was designed to strengthen discipline, alertness, and preparedness among campus security personnel.

The sessions covered key modules, including :

Fitness & Discipline: Warm-up rounds, posture & gesture control, self-motivation. Uniform checks, ID visibility, shaving, and polished shoes.

Operational Duties: Gate control, ID verification for students, handing over/taking over protocols, and patrolling techniques.

Emergency Preparedness: Firefighting awareness (types of fire, extinguishers, B.L.E.V.E.), generator handling, and special occurrence reporting.

Skill Development: Communication skills, assertive interaction, and WhatsApp-based reporting.

Technical Familiarization: Solar plant inspection and generator operation training.

The training sessions were interactive and activity-based, with practical demonstrations such as firefighting and generator handling. These initiatives reaffirm YSM's commitment to ensuring a safe, secure, and well-managed campus environment through regular upskilling of security personnel.

YSM Hosts First Post-MoU Training on ICT & AI for Faculty and Staff

The **Internal Quality Assurance Cell (IQAC)** organised a **Hands-on Training Session on ICT Tools and Artificial Intelligence (AI)** as the **first collaborative initiative under the MoU with Aptus Software Labs, Bengaluru, signed on 19 July 2025**. The session was designed to equip faculty and support staff with practical knowledge of emerging AI technologies and their applications in teaching, learning, and academic processes.

The **resource person, Shri Ramakrishna Prasad, CEO of Aptus Software Labs**, and a valued industry partner of the IQAC of the Mahavidyalaya, delivered an insightful session highlighting how AI can simplify repetitive tasks, enhance creativity, and allow educators to focus on research and innovation. He demonstrated advanced AI tools such as gamma.ai for professional presentations, introduced content creation platforms like Revoicer and Steve.ai for converting text into videos, and explained the concept of prompt engineering to refine AI-generated outputs.

Participants also gained exposure to practical applications like translation, custom lexicon building, and the adoption of Large Language Model (LLM) frameworks. Advanced topics including agentic AI, Google CLI commands, vector databases for knowledge management, and AI repositories such as Hugging Face were also explored. Importantly, Sri Ramakrishna Prasad addressed queries on data privacy and security, reassuring participants about the safe integration of AI tools into academic practices. **A total of 38 faculty members and 3 non-teaching staff attended the session, which concluded with an engaging Q&A.**

Code vs Conversation: Showcasing the Power of Logic and Dialogue

The **DevLoopers Club**, under the supervision of the Department of CA & IT, organised a dual event on July 21, 2025, bringing together the **thrill of coding and the art of debate**.

Byte the Bug – Coding Competition

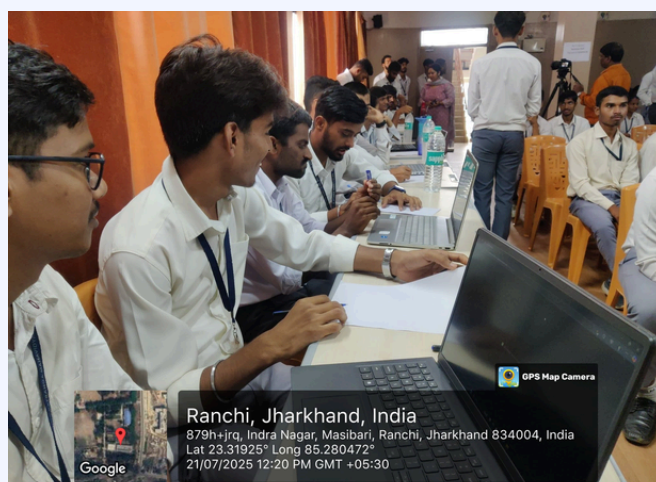

In this high-energy challenge, teams of two competed across debugging and problem-solving rounds, testing their programming speed, accuracy, and logical thinking. The event was powered by **Code Rush Arena**, an innovative software platform developed by student **Nikhil Nayak** (B.Sc. IT, Semester III), which enabled live submissions and real-time leaderboards. Participants relied solely on their coding skills, with AI tools and Google strictly off-limits.

Debate Competition – Idea Pitch & Showdown

Students from CA & IT and BBA showcased their intellectual prowess in a debate that combined idea pitching with persuasive argumentation. Teams were judged on originality, clarity of ideas, strength of arguments, and presentation skills, making it a true test of communication and critical thinking.

The programme was enriched by inspiring words from Mrs. Pragati Bakshi (Professor In-Charge) and Col. Himanshu Shekhar (Director, CVS), motivating students to excel both academically and technically. The distinguished presence of Sri Ashwini Kumar Saxena (Secretary, Governing Body) and Sri Arvind Katiyar (Director, Intermediate) added further prestige to the occasion.

Both events not only celebrated technical expertise and oratory excellence but also promoted teamwork, creativity, and academic integrity. The enthusiasm of the participants and the seamless organisation ensured the event's grand success.

Physics Department Inspires Innovation through Science Exhibition

The **Department of Physics** organised a vibrant **Science Exhibition** on July 22, 2025, featuring 16 innovative student projects that highlighted creativity, curiosity, and practical problem-solving. From radar systems, smart irrigation models, and cycle generators to AI-based dustbins, driverless trucks, health monitoring systems, and plasma guns, the exhibits reflected the inventive spirit of young minds.

The exhibition attracted an audience of over 500 students from both degree and intermediate courses, along with faculty members from various departments. The initiative was widely appreciated for nurturing scientific curiosity, encouraging critical thinking, and inspiring students to explore future careers in science and technology.

Hands-On Workshop Empowers CA & IT Students in Full Stack Development

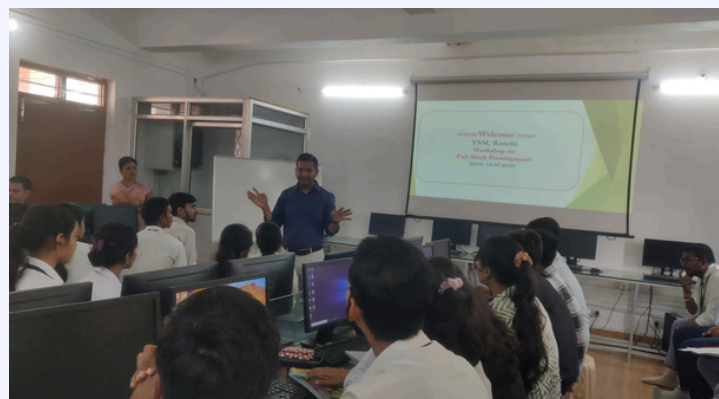

The **Department of Computer Applications & Information Technology** organised an insightful Workshop on “**Full-Stack Application Development with Deployment**” on July 19, 2025, exclusively for the students of CA and IT.

The objective of the workshop was to bridge the gap between classroom learning and industry practices by exposing students to end-to-end development processes and deployment strategies.

Mr. Niranjana Kushwaha, an industry expert in full-stack technologies with rich professional experience in software development, conducted the session. Adopting a highly engaging and hands-on approach, he introduced participants to the essentials of front-end and back-end development, database integration, and the practical aspects of application deployment. He also emphasized the importance of best coding practices, debugging techniques, and maintaining clean, efficient code that meets industry standards.

Students gained practical exposure to real-world applications and cutting-edge development tools. The resource person demonstrated how the synergy between front-end user experience and back-end functionality forms the backbone of modern applications.

Beyond technical training, Mr. Kushwaha highlighted the significance of logical problem-solving, teamwork, and adaptability as key skills for aspiring developers.

Students gaining hands-on exposure during the Full-Stack Application Development workshop conducted by Mr. Niranjana Kushwaha.

The Department’s initiative was widely lauded for its relevance and effectiveness, marking another step in YSM’s ongoing efforts to promote skill-based education, industry readiness, and holistic student development.

NCC Cadets of YSM Commemorate Kargil Vijay Diwas with Patriotic Fervour

The Mahavidyalaya celebrated **Kargil Vijay Diwas** with great enthusiasm and patriotic spirit. The day began at 9:00 AM with **Prabhat Pheri**, organised by the **NCC cadets**, marking the glory of India's victory in the Kargil War.

This was followed by a series of programmes. Mrs. Pragati Bakshi extended greetings to all cadets and reminded them of the significance of this historic day, urging everyone to pay their respects to the brave martyrs of Mother India and draw inspiration from their supreme sacrifice.

The event's Chief Guest, Captain L. K. Jha, shared inspiring accounts of the courage and valour displayed by the soldiers during the Kargil War. **A short documentary, "Kargil: Ek Ankahi Kahani", was also screened**, offering cadets deeper insights into the untold stories of heroism. Patriotic performances by cadets added to the emotional and inspiring atmosphere of the celebration. The programme concluded with a Vote of Thanks by NCC Officer Dr. Abhishek Pandey, while cadets Kaushal Kumar Sharma and Akanksha Singh efficiently conducted the proceedings.

The celebration served as a reminder of the courage and sacrifice of the nation's heroes and inspired the cadets to uphold the values of patriotism, discipline, and service to the nation.

Yoga as Institutional Distinctiveness: YSM Marks 11th International Yoga Day

Our Mahavidyalaya, in association with the Central Bureau of Communication (Ministry of Information & Broadcasting), organized a two-day awareness programme and photo exhibition on the occasion of the 11th International Yoga Day.

Day 1 (June 21, 2025)

The programme began with an inaugural ceremony graced by **Hon'ble Secretary of the Governing Body, Shri Ashwini Saxena; Padma Shri awardee Shri Mahavir Nayak; and a renowned cardiologist from Ranchi, who joined as Guests of Honour**. The event commenced with the inauguration of a photo exhibition, followed by a soulful cultural programme.

This year's theme, **"Yoga for One Earth, One Health,"** was highlighted in inspiring addresses by Shri Saxena and Colonel Himanshu Shekhar. The inaugural day witnessed enthusiastic participation from students, faculty, and non-teaching staff, reaffirming yoga as the institutional distinctiveness of YSM.

Day 2 (June 22, 2025)

The second day featured special awareness sessions, expert talks, and competitions on yoga and health. Dignitaries and experts, including **Dr. Santosh Kumar (Computer Head, St. Xavier's School, Doranda & Guinness World Record Holder), Dr. Jitendra Prasad (Homeopathy, Ministry of AYUSH),** and other distinguished speakers, shared their insights on yoga, technology, and holistic health.

A vibrant folk dance performance added cultural flavour to the celebration, while interactive discussions highlighted the role of Artificial Intelligence in Yoga education and the unifying power of yoga for global well-being.

The two-day celebration at YSM concluded with prize distribution for participants and performers.

Checkmate Championship 2025–26: Students and Staff Showcase Strategy and Skill

The Mahavidyalaya hosted the **Checkmate Championship 2025–26**, a series of exciting intra-college chess tournaments that brought together both students and staff in a celebration of strategy, focus, and sportsmanship.

The student championship, held from 24–26 July 2025, saw the participation of 60 students across three days of intense matches. Designed to promote analytical skills, logical reasoning, and healthy competition, the tournament created a platform for young minds to showcase their talent.

After several thrilling rounds, the results were:

Winner: Yuvraj Kumar Singh (BCOM2023COM046)

Runner-Up: Ayush Shahdeo (BBA2023BA059)

Best Female Player: Sneha Kerketta (BA2023HIS005)

The staff championship, organised on July 26, 2025, added a new dimension of excitement, with around 20–25 teaching and non-teaching members participating enthusiastically. Mrs. Pragati Bakshi, Professor-in-Charge, not only graced the event but also joined in the matches, inspiring everyone with her sporting spirit. Notable performances came from Dr. Santosh Singh (Physics), Dr. Sangeeta Kumari (Botany), Mr. Anupam Mishra (Economics), and Sri Joy Singh Roy (Accounts Section), whose sharp moves made the games competitive and engaging.

Both events were lauded for fostering team spirit, intellectual discipline, and camaraderie beyond classrooms and offices.

YSM Celebrates 58th Foundation Day with Spiritual Grace, Innovation and SDG Integration

The Mahavidyalaya marked its **58th Foundation Day** on July 31 and August 1, 2025, weaving together **Guruji's teachings with the Sustainable Development Goals (SDGs)**. The two-day celebration reflected YSM's ethos of spirituality, innovation, sustainability, and teamwork.

Prelude Event

Ahead of the formal programme, the DevLoopers Club organised a spirited **Treasure Hunt Competition**, setting an energetic and enthusiastic tone for the celebrations.

Day 1 – July 31, 2025

The formal programme began with the inauguration of the **Science Exhibition** by Swami Nishchalananda Giri Ji, followed by the lighting of the lamp and garlanding of Guruji's portrait. A devotional song and dance by the Department of Life Skills added a spiritual touch. Prof. Pragati Bakshi, Professor-in-Charge, delivered the welcome address, after which Sri A.K. Saxena (Secretary, Governing Body) and Lt. Gen. Gyan Bhushan (Vice-Chairman, Governing Body) shared their blessings.

The day's major highlights included the launch of the **Online Document Management System (ODMS) by Lt. Gen. Gyan Bhushan**, followed by the release of the **souvenir "Jeevan aur Jalvayu" by Swami Nishchalananda Giri Ji**. Swamiji also addressed the gathering on **"Harmony with Nature and Self"**, inspiring all present.

The felicitation of superannuated and senior faculty and staff was followed by the inauguration of the **Food Stall and a Health Check-up Camp in collaboration with Paras Hospital**.

In the afternoon of July 31, **several student competitions** were held in parallel, including **Poster Making, Rangoli, Best Out of Waste, and Debate, which encouraged creativity, sustainability, and critical thinking**.

Day 2 – August 01, 2025

The second day featured events that further integrated Guruji's ideals with SDGs. Highlights included a **Yoga Demonstration, Bhajan Sandhya, and forums such as the Collaboration Lab: "Together We Thrive", an SDG Quiz, and the Youth Parliament: "Justice Café"**. **Cultural programmes like spoken word poetry, role play on campus equality, open mic sessions, and a skit by Team Pehchan** added vibrancy and depth to the day. The two-day celebration concluded with the Closing Ceremony and Awards, recognising the talent and contributions of participants and organisers.

A Coordinated Effort

With different committees and cells entrusted with specific events, the celebration was conducted smoothly and effectively. The 58th Foundation Day of YSM truly stood as a reflection of its commitment to spirituality, academic excellence, social responsibility, and global goals.

Essay Competition on “Social, Economic and Political Justice in India: Post-Independence”

The **Department of Political Science** organized an Essay Writing Competition on August 12, 2025 on the theme “**Social, Economic and Political Justice in India: Post-Independence.**”

A total of 60 students from Semester V (Session 2022–26), Semester III (Session 2023–27), and Semester II (Session 2024–28) participated with thoughtful and well-researched essays.

The entries were evaluated by Dr. Sanjay Kumar (Head, Dept. of Political Science), Dr. Neha Kumari, and Mr. Rishav Kumar.

Winners of the Competition:

Semester V (2022–26):

1st position: Komal Kumari (BA2022POS199)

2nd Position: Ashish Kumar Sharma (BA2022POS001)

3rd Position: Puja Kumari (BA2022POS149)

Semester III (2023–27):

Observance of the 80th World Hiroshima Day

The **Department of Political Science** observed the **80th World Hiroshima Day** on August 6, 2025, with active participation from the students of Semester V (Session 2022–26). The event served as a solemn reminder of the catastrophic bombings of Hiroshima and Nagasaki and reflected the Department's commitment to fostering awareness about peace, disarmament, and responsible global citizenship.

The session commenced with an insightful address by Dr. Sanjay Kumar, Head of the Department, who highlighted the far-reaching consequences of the Hiroshima and Nagasaki bombings, the escalation of the nuclear arms race, and the continued relevance of Hiroshima Day in today's geopolitics. He urged students to understand the urgency of global peace initiatives and the collective responsibility to work towards a nuclear-free world.

The highlight of the event was the series of student reflections and presentations, where participants articulated their perspectives on pressing issues surrounding nuclear disarmament and global peace:

- **Ashish Kumar** spoke on the role of the United Nations in achieving a nuclear-free world.
- **Sarvan Kumar** critically addressed the hypocrisy of nuclear powers in the international order.
- **Roshni Kumari** discussed the importance of consensus on nuclear non-proliferation.
- **Komal Kumari** reflected on the peaceful use of nuclear technology.
- **Khushi Kumari** presented on the challenges posed by rogue nuclear states.
- **Rishika Kumari** explored India's strategic compulsions in a nuclearized world.

Each contribution was thoughtful and well-researched, sparking meaningful discussion among peers and faculty alike. The event highlighted the analytical abilities of the students while encouraging them to think critically about issues of global concern.

By observing Hiroshima Day, the Department of Political Science not only paid tribute to the victims of nuclear warfare but also reaffirmed its commitment to instilling in students the values of peace, human rights, and global responsibility.

YSM Observes *Tulsi Smaran Parv* with Devotional Fervour

The **Department of Hindi, in collaboration with the Hindi Sahitya Parishad and the IQAC**, organised ***Tulsi Smaran Parv*** on August 12, 2025. The programme began with the lighting of the lamp and garlanding of Guruji's portrait, setting a devotional tone.

Welcoming the gathering, Dr. Abhishek Pandey, Head of the Department of Hindi, spoke on the life of Goswami Tulsidas, describing him as a timeless luminary of Hindi literature and urging students to imbibe his teachings. A soulful group presentation of the bhajan “*Jhoolat Ram*” was given by Preeti Kumari (Semester V) and her team.

Mrs. Pragati Bakshi addressed the students, highlighting that Tulsidas, through his *Ramcharitmanas*, united the entire nation in the spirit of devotion, a wave of bhakti that continues to inspire people even today.

Students Shivam Kumar and Gauri Kumari (Semester V) presented papers, while Antara Kumari and Ratni Kumari (Semester III) performed a melodious recitation of verses from the *Sundar Kand*. The devotional mood was further enriched by Vibha Kumari (Semester V) with her stirring rendition of “*Bhaye Pragat Kripala*”.

The Chief Guest, Dr. Dhireswar Jha ‘Sudhir’, in his address, described Tulsidas as both a seer and creator of his age. He emphasised how Tulsidas truthfully depicted the social evils of his time and guided society towards a path of righteousness through his writings. Dr. Mrinal Gaurav, Assistant Professor of Commerce, presented a comparative analysis of Valmiki's *Ramayana*, the *Tamil Ramayana*, and Tulsidas's *Ramcharitmanas*.

As part of the celebration, an **Essay Competition on “Yug Pravartak Kavi Tulsidas” and a Quiz on the Life of Tulsidas were organised**. The winners were honoured with medals, certificates, and copies of the *Sundar Kand*, presented by the Chief Guest, Dr. Jha, and Sri A.K. Saxena, Secretary of the Governing Body.

The event was attended by 56 students of the Hindi Department, who actively participated and immersed themselves in the devotional and literary spirit of the day.

Yoga as Our Institutional Distinctiveness: Achievements at District & State Level

As a mark of our institutional distinctiveness, students of our Mahavidyalaya continue to excel in the field of Yoga, reflecting holistic growth and discipline.

In the **41st Ranchi District Yoga-Sports Championship – 2025**, held on August 2-3, 2025 at Gurunanak Higher Secondary School, Ranchi, 13 students participated, out of which 12 qualified for the state-level championship. Notably, several students secured commendable ranks, including a **2nd Position by Saloni Rani in the girls' 18-21 years category**.

Carrying forward this success, our students participated in the **25th Jharkhand State Yoga Championship – 2025**, held on August 24, 2025 at Sri Aurobindo Society, Ratu Road, Ranchi. Out of 10 participants, three students earned distinctions at the state level:

Sumit Oraon – 4th Position (18-21 yrs)
Nisha Rajwar – 5th Position (16-21 yrs)
Dimpal Kumari – 6th Position (21-25 yrs)

These consistent performances at both district and state levels highlight the college's emphasis on Yoga as a pathway to holistic development, aligned with our vision of institutional distinctiveness.

Proud moments from the Ranchi District and Jharkhand State Yoga Championships 2025, where YSM students secured remarkable positions.

NSS Unit II Leads *Har Ghar Tiranga* Abhiyan in Adopted Village

On August 14, 2025, the **NSS Unit II** observed the 79th Independence Day by organising the *Har Ghar Tiranga* Abhiyan with great patriotic spirit.

A group of 75 student volunteers, guided by Mrs. Pragati Bakshi, Dr. R.S. Dey and Dr. Indira Banerji and Dr. Shweta Singh, marched to the college's adopted village, Tangra Toli. Volunteers also interacted with drivers of public transport vehicles.

The National Flag was distributed among households, shopkeepers, drivers, students, and even passersby. The campaign's message was to encourage every citizen to hoist the Indian National Flag at their home and make it a living symbol of unity and pride was widely appreciated. People were also encouraged to upload their selfies with the Tricolour on the My Bharat Portal.

A highlight of the programme was an inspiring patriotic address by Miss Riya, an active and enthusiastic volunteer. The spirit of the day was further enriched when a local villager, in a gesture of goodwill, distributed fruits to the volunteers and honoured Dr. R.S. Dey and Dr. Shweta Singh with shawls.

Unity, Tradition, and Patriotism — YSM Celebrates 79 Glorious Years of Independence

The 79th **Independence Day** was celebrated with great enthusiasm in the campus on August 15, 2025. The programme began with the garlanding of the portraits of Sri Sri Paramahansa Yogananda and Mahatma Gandhi, honouring their contribution to humanity and the nation.

The celebration was graced by Dr. Dhireshwar Jha 'Sudhir' as the Chief Guest, along with Sri R.K. Mishra and Sri B. Rajak as the Guests of Honour. The Chief Guest unfurled the National Flag, followed by a march-past and band performance by the NCC cadets, which filled the atmosphere with patriotic fervour.

Students of the college presented the soulful patriotic song "Main Mar Bhi Jaon To Ye Watan Yaad Rahega". In his address, the Chief Guest emphasised the importance of being disciplined and duty-bound in serving the nation. He also urged the youth to uphold Indian traditions, cautioning against the excessive influence of Western culture, and reminded them that **only by embracing their heritage can India reclaim its place as Vishwaguru.**

On this occasion, teachers and non-teaching staff members who had excelled in the Chess Championship were honoured, and the winning team of the Cricket Tournament was felicitated with medals and trophies.

Alumni Spotlight

Kishan Raj (BBA, Session 2018-21), one of our distinguished alumni, has made us proud by securing admission to the prestigious **MBA programme at IIM Sambalpur**.

During his years at YSM, Kishan stood out as a dedicated student and the founding member of Team Pehchan, a student-led initiative that continues to foster creativity and social engagement. His journey from YSM to IIM is an inspiration for our current students, reminding them that with commitment and vision, success is within reach.

100% Success in NCC 'B' & 'C' Certificate Examinations 2024-25

In the academic year 2024-25, a total of 78 NCC cadets from our Mahavidyalaya appeared for the 'B' and 'C' Certificate Examinations, and all successfully qualified, marking a 100% result for the Mahavidyalaya.

41 cadets appeared for the 'B' Certificate Examination and 37 cadets for the 'C' Certificate Examination. Among them, 7 cadets in the 'B' Certificate and 5 cadets in the 'C' Certificate secured the prestigious Alpha Grade.

On this occasion, a certificate distribution ceremony was held at the 19th Battalion campus, Bariatu, where cadets were felicitated for their achievements.

This outstanding result highlights the discipline, dedication, and training of the NCC unit of the Mahavidyalaya and continues to motivate future batches to strive for excellence.

Proud moments — YSM NCC cadets achieving a 100% result with several securing Alpha Grade.

Cadet Abhijeet Kumar Selected for Prestigious Thal Sainik Camp 2025

Honouring NCC achievement on Independence Day

NCC Cadet Abhijeet Kumar (BSCIT2024IT021) of our Mahavidyalaya has been selected for the prestigious **Thal Sainik Camp (TSC)** to be held in New Delhi from 1st to 12th September 2025.

Significantly, **he is the only cadet from Jharkhand** chosen for this year's camp. Recognised as one of the most competitive and prestigious national-level events of the National Cadet Corps, the TSC provides a platform for cadets to showcase discipline, endurance, and leadership on a national stage.

His achievement brings distinction to the institution and serves as an inspiration for fellow students to uphold the values of dedication, service, and nation-building.

Md. Abbas Ali (BA2023ENG006) secured the **Silver Medal in the U-23 Senior Jharkhand State Wrestling Championship 2025 (Men & Women)** held on 10th & 11th August 2025, organised by the Lohardaga District Wrestling Association.

Competing in the Greco-Roman style, under 72 Kg weight category, Abbas Ali delivered an outstanding performance, winning four consecutive bouts before a close defeat in the final, earning him the Silver Medal.

His achievement reflects determination, discipline, and sporting excellence, bringing distinction to the college and motivating fellow students to pursue their passions with commitment and perseverance.

Mrs. Pragati Bakshi, Professor-in-Charge, appreciating Md. Abbas Ali for winning the Silver Medal at the U-23 Senior Jharkhand State Wrestling Championship 2025.

Remembering V.S. Naipaul: A Literary Tribute

On August 19, 2025, the **Department of English** organised a special programme to mark the **93rd birth anniversary of V.S. Naipaul**, the celebrated novelist, essayist, and Nobel Laureate. The event sought to revisit his literary legacy and introduce students to the depth and diversity of his contributions to world literature.

The programme witnessed enthusiastic participation from students across all semesters, with several paper presentations exploring varied dimensions of Naipaul's writings. Each presentation highlighted a unique perspective, sparking engaging discussions on his enduring relevance in contemporary times.

The session was graced by Mrs. Pragati Bakshi, Professor-in-Charge, who addressed the gathering as the Chief Guest. In her remarks, she reflected on Naipaul's distinctive vision of life and literature, encouraging students to approach literary study with both critical and creative insight.

The event concluded with a vote of thanks to the participants and faculty members, leaving the audience enriched with a deeper appreciation for one of the most remarkable voices in modern English literature.

Educational Field Visit to Shalimar Fisheries Department

The **Department of Zoology** organised an **educational field visit** on August 27, 2025 to the **Shalimar Fish Farm and Training Centre, Dhurwa**, for 18 students of Semester II and III pursuing Minor Vocational (MNV) and MN in Fisheries. The visit was led by Dr. Anjana Verma (HoD) along with faculty members Dr. Kumari Pragati Nanda, Dr. Ankit, and Mr. Ravi Rahul Singh.

The field visit provided students with **hands-on exposure in fisheries and aquaculture practices**. Mr. Budhan Purty, an expert in freshwater pearl culture, demonstrated pearl culture techniques, while Mr. Prashant Kumar, Chief Instructor at the Training Centre, explained aspects of water quality, feeding practices, and species selection. Students also gained insights into fish brooding, composite fish farming, integrated aquaculture, and entrepreneurship opportunities in the sector.

Support was extended by **Dr. H. N. Dwivedi, Director, Fisheries Department**, who encouraged the students to view fisheries as a career pathway and entrepreneurial avenue. Information about funding agencies, schemes, and start-up support mechanisms further enriched the learning experience.

The visit concluded with an interactive session and lunch, making the day both comfortable and engaging for participants.
